高校生、龍卷トテク

本業、幻獣医。

幻獣医 トテク

☆幻獣に関する病・お虫はコチラまで——
台子のファンタジー医療提供Gカラー47P!!

権平ひつじ

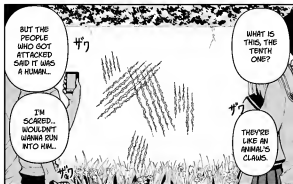

WOKED UP
ONE DAY
TO FIND

I, AN
ORDINARY
HIGH SCHOOL
STUDENT,

DEP
DEP

THAT I'D
GROWN
EARS AND
A TAIL.

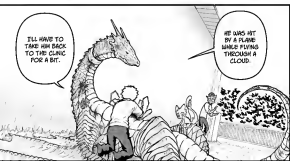

JUST
HOLD ON
A MINUTE.

I'LL TAKE
CARE OF YOU
ONCE I'M DONE
TREATING THIS
DRAGON.

WHAT'S
YOUR
NAME?

I'M A DOCTOR
FOR MYTHICAL
CREATURES.
NICE TO MEET
YOU.

I'M *TOTEKU*
TATSUMAKI
FROM CLASS
2-A.

THIS SLIME
IS BORON,
MY ASSIS-
TANT.

PLEASURE
TO MEET
YOU.

HUH?

ドサッ...

SO THEY JUST
LIVE PEACEFUL
LIVES WITHOUT
HUMANS KNOWING
ABOUT THEM.

THEY'D ALL GET
PERSECUTED BY
HUMANS IF THEY
GOT FOUND
OUT.

CAN YOU
STOP THE
BLEEDING?

CRAP,
MY CHEST
CAVITY
BURST.

I TOLD
YOU..

OH.

AND THEY NEED
DOCTORS WHO
SPECIALIZE IN
TREATING MYTHICAL
CREATURES TO KEEP
THEM SAFE AND
HEALTHY, SO THAT'S
WHAT I DO.

!?

REMODELED?

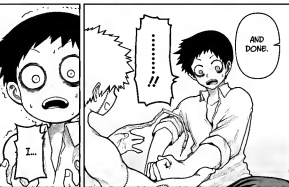

NO, OTHER
THAN BEING
REMODELED,
I'M A NORMAL
HUMAN.

UH, SO
ARE YOU A
MYTHICAL
CREATURE...
THEN?

SHUT UP!
YOU ALL
THINK I'M
SOME KIND
OF IDIOT!!

I'LL GO
WITH YOU TO
APOLOGIZE
TO THE
DOCTOR.

MR. ISOGAI,
LET'S JUST
GO BACK TO
THE CENTER,
OKAY?

I'LL DRINK
WHATEVER
THE HELL
I WANT!!

BLOOD

I'M
NOT AN
ALCOHOLIC!!

THE

GIMME MY
SAKE! MY
SAKEEEEE!!

OW!

DR. TOTOKU
TREATED HIM
BEFORE, SO
HE'S TRYING
TO CONVINCE
HIM TO GO
BACK.

THAT'S A
TENTACLE
PATIENT WHO
ESCAPED FROM AN
ALCOHOLISM
TREATMENT
CENTER.

クッパッパッ!!

I
ATTACKED
KIMURA...

MY
BODY
JUST
MOVED
ON ITS
OWN...!

WHY
CAN'T I
TURN
BACK...!?

**LUNATIC
SYNDROME.**

IT OFTEN
MANIFESTS
WHILE SLEEPING,
SO PEOPLE CAN
BE UNAWARE
THEY EVEN
HAVE IT.

AND EVEN
IF THEY ARE
AWARE, THEY
CAN'T CONTROL
IT THROUGH
WILLPOWER
ALONE.

PUT SIMPLY,
A DISEASE
THAT MAKES
YOU ACT LIKE
AN ACTUAL
WOLF.

YOU
SPONTANEOUSLY
TRANSFORM
AND START
ATTACKING
PEOPLE WHO
INVADE YOUR
TERRITORY.

SO I'VE BEEN WATCHING YOU FROM A DISTANCE OVER THE LAST FEW DAYS.

IT'S A PRETTY RARE DISEASE, BUT THOSE BAGS UNDER YOUR EYES MADE ME CURIOUS.

TOTEKU...!?

SO HE SHOULDN'T REMEMBER ANYTHING ABOUT TODAY, INCLUDING WHAT JUST HAPPENED.

I SAW HIM SOME DEMOGRAPHIC AND MEMORIE.

I'VE ALREADY TREATED KAKASHI, SO DON'T WORRY ABOUT HIM.

I DO IT ALL THE TIME TO KEEP HUMANS OUT OF MYTHICAL CREATURES AFFAIRS.

HE WON'T HAVE A SINGLE SCAR LEFT BY TOMORROW.

NOW,

I JUST NEED TO TREAT YOU.

GH...!

YOU AND KAKASHI CAN JUST GO BACK TO NORMAL AFTER THIS.

LUNATIC SYNDROME

AN ENDOCRINE DISORDER FOUND IN WIZENOLVES.

!!!

IT WAS CONSIDERED TO BE A MENTAL DISORDER IN THE MIDDLE AGES.

BUT THANKS TO ADVANCES IN ENDOCRINOLOGY IN THE SIXTIES, IT CAN NOW BE TREATED AS AN ORDINARY DISEASE.

NOW,
LET'S
BEGIN THE
OPERATION.

FORCING THE
PATIENT TO ACT
INSTINCTIVELY IN
A MANNER SIMILAR
TO A WOLF.

SWELLING OF
THE ADRENAL
CORTEX CAUSES
ENDLESS STEROID
HORMONES TO
BE PRODUCED

AND THE
LEGEND THAT
"WEREWOLVES
APPEAR ON THE
FULL MOON AND
ATTACK PEOPLE"
WAS CREATED,
LASTING TO
THIS DAY.

WHEN
THIS PHASE
WAS DISCOVERED
IN EUROPE IN THE
MIDDLE AGES, A
LARGE-SCALE
PERSECUTION OF
WEREWOLVES
BEGAN.

THE NUMBER OF
CASES CONTINUES
TO DECREASE, AND
IT IS PROJECTED
THAT THE NUMBER
WILL REACH ZERO
BY 2020.

HYPOPLASIA
OF THE
ENDOCRINE
SYSTEM CAN
EASILY OCCUR
AS PART OF A
WEREWOLF'S
GROWTH
PROCESS.

—FROM THE
ENCYCLOPEDIA OF
MYTHICAL CREATURE
MEDICINE, BY DR.
MIZUNO O. OSANO.

WEREWOLVES
BECAME OBLIGATED
TO RECEIVE SHOTS
THAT WOULD KEEP
THEIR GROWTH
UNDER CONTROL
IN PAIN.
